DGEs Quote Of The Day Crack+

Inspirational, encouraging, and humbling quotes. "The greatest happiness of life is the conviction that we are loved; loved for ourselves, or rather, loved in spite of ourselves." -Winston Churchill "It is not the critic who counts, not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs, who comes short again and again, because there is no effort without error and shortcoming; but who does actually strive to do the deeds; who knows great enthusiasms, the great devotions; who spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who neither know victory nor defeat."

-John Fitzgerald Kennedy "There's nothing we can do that will change the past. We can only have faith in what lies ahead, because we ourselves, in one way or another, are shaping our future, and in that shaping, one way or another, we may find the love we seek. " -Leonard Cohen "People are like stained glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there is a light from within." -Elisabeth Kubler-Ross "Many of life's failures are people who did not realize how close they were to success when they gave up." -Thomas Edison "Success is not final, failure is not fatal: It is the courage to continue that counts." -Winston Churchill "Most people are other people. Their thoughts are someone else's opinions, their motives someone else's reasons, their lives a mimicry, their laughter a quotation." -Desiderata "Life is what happens to you while you're making other plans." -John Lennon "I think life is like a roll of toilet paper. The closer you get to the end, the faster it goes." -Andy Rooney "Remember, every day you're alive is a good day." -Mae West "I would rather wake up and not know the road ahead, than to stay asleep and take the wrong turn." -Henri Frederic Am
