March 3, 2020 . The design consists of steel, wood and aluminum, with a glass roof. The theme is all about energy conservation, both renewable and . March 7, 2020 . The interesting thing about this machine is how they've incorporated the COVID task forces recommendations into its design. The price of the Grand Prix is based on minimum order quantities. One of the most logical ways to reduce the amount of items in a virtual garage is the use of virtual garage pulls. January 6, 2020 . The building is in Chicago and the device is structured like a car seat with four fixed legs. To be honest, I have no idea what this is called and have only included it here because of the resemblance to the University of Wisconsin's . January 8, 2020 . I'm not sure what this thing is called but I thought it would be an interesting addition to my garage. It could even come in handy for my fencing skills. January 13, 2020 . It was all a scam from the beginning. I found a bunch of these on eBay and I really have no idea what it is. However, it's gotta be something unique or they would have never used a . January 14, 2020 . They gave us cars and on the way back they gave us a bunch of equipment and furniture. They even taught us how to fold our cars. What I can't figure out is why all of us were given a Jeep. January 15, 2020 . Man, every time I look at this thing my life just gets so much cooler. If they make a Wii for motorcycles then they'll have to call it the Monster Garage. January 16, 2020 . I had no idea what these things were called and I was kind of expecting them to be of a lesser quality but they were awesome. They're solar powered and rechargeable. January 20, 2020 . I like this idea but I couldn't figure out how to fit it into my garage. It doesn't really fit any of my hobbies and I have no idea why the garage wants me to buy it. January 21, 2020 . No idea what these things are called, only heard of them once and somehow thought this design would be pretty. I think these would be awesome as a team building activity. January 23, 2020 . Most of these are old enough to be my grandparents, I
