number of amazing attractions and
this post will lead you through
them from A to Z. Enjoy! The one
and only Burj Khalifa, the world's
tallest building. It's been the

world's tallest building since the opening of the Sears Tower in Chicago in 1974. The Burj Dubai topped the list of the most expensive real estate in the world. After the Burj was completed, the real estate prices in this area started to skyrocket. Buying a property in Dubai is one of the biggest investments, as it requires a huge amount of savings and patience. A 4-minute ride on the PalmJumeirah Resort offers a fantastic view of the Burj Khalifa. If you have a long day in the sun,

these rides are the perfect way to make sure you get a good tan. Dolphin Lagoon, a water park for adults which offers amazing rides, surfing and water slides. The park is still in its infancy, so we don't have a clear picture of how it is going to develop, but it certainly is one of the most interesting places in the city. The 7 Towers, designed by internationally renowned architect Skidmore, Owings and Merrill, is one of the newest and most prestigious projects in the UAE, with just 400

of the apartments in the project still available. With amazing views of the area, the 1,136 apartment are perfect for those who want to enjoy living in the heart of the city. The apartments e24f408de9
