Old Frame Clock It's that time of year to open your decorations, and here is a year-round reminder of the Old Frame Clock that's part of the Old Frame Set. It can be placed inside a frame, on a shelf, or even outdoors in a wall-mounted frame. The Old Frame Clock, also known as the Old Time Clock, is a pocket watch that features a decorative frame and a spinning hand to show the time. The Old Frame Clock is available in several different models that can be ordered separately or together in the Old Frame Set. These clock models include: Hour, Minute, Second, 60-Minute, and 60-Second models. The Hour, Minute, and Second models are available with a soft, hand-stitched brown leather strap in various sizes and are also available separately as a full set of 4 clocks. The Minute and Second clocks feature polished metal hour and minute hands and a brown leather strap. The Minute and Second also feature a beveled white quartz movement, while the hour hand is fixed. The 60-Minute and 60-Second clocks are available as a full set of 4 clocks and feature polished metal hands. Each model features smooth, 18k white gold bezel and hands. The 60-Minute models have a white leather strap, while the 60-Second models have a white leather strap and all metal hands. The full set of 4 clocks also has a solid brass pedestal. The Silver Clock also has a stainless steel bezel and a polished 18k white gold hour, minute, and second hand. The minutes and seconds hand also feature a beveled white quartz movement that has hours and minutes indicator lamps. This clock is also available as a Silver Framed Clock. The hand on this clock is fixed, and it only displays the hour and minute. The Silver Framed Clock also has a silver metal strap, and a silver metal bezel.
