It's a spring inspired collection of icons with a splash of color. The only icon with a blue color in Pool is Window Locks, but with the rest of the icons you can choose the color you prefer. The small size of Pool allows it to be easily used in any app and it's hard to notice them inside. You won't find Pool icons in the app store, so feel free to use them as long as you give the author an attribution. The author is Requestbug, if you have any problem with the icons feel free to leave a comment here. Pool is a small icon collection of PNGs and ICOs that will help you give a new look to your files and folders. Due to this icon pack, you will be able to bring spring to your desktop by replacing the default icons with some of these ones.
