High school student Jayo is seduced into his first sexual experience by classmate Hara, who ends up killing herself when he ignores her. Gio is in despair, because he has already begun to see in Hare the girl of his dreams. Things get even more complicated when a new student, Violetta, arrives at the school, and Gio begins to feel sympathy for her, but he continues to feel responsible for Haru. There are quite a few explicit scenes in the film, I canâ€™t say for sure that they were superfluous, but sometimes I felt that they squeezed the characters a little (this is most likely due to the fact that I could not really see them up close).
