Customers also bought Customer reviews of Workbook Assistant [5 Stars]Awesome!! by Marc Gerber This is the best add-in I have ever seen. I am using this add-in now on my main workbook and it has already saved me hours of time for things I do not want to do. It has so many options, and it does all the formatting for me, and the font for me. I have been using this add-in for almost a year, and I just keep updating it with new things because it is easy to use, and it saves me time.

I definitely recommend this add-in.

Workbook Assistant is a simple but efficient tool that aims to improve your productivity in Excel by inserting multiple sheets.
