Best Cord-Cutting Ways to Watch The Wire Online [Infographic] But as Common Dreams reported earlier this year, that won't matter much once a new series comes out: After all, Netflix is "ultimately built on what [it's] not built on. But it's also another way to enjoy the miniseries, as well as up and coming shows with extra bells and whistles. The Wire is one of TV's most demanding shows, it's not just an addictive drama but a pedantic one too—and a review of the first season of “The Wire” is no easy thing. The first episode of the HBO series, released in 2007, clocks in at around a whopping eight hours. We're still trying to figure out if the longer running time was worth it. All in all, after watching all five seasons, we can say with certainty that this slow-burning tragedy in Baltimore is definitely worth your time.
