Features Key:

A Vast World Full of Excitement * A vast world with randomly generated, fully three-dimensional maps. Over millions of cells, one can go on an adventure with a variety of situations and dungeons. * Combines a dozen truly possible maps with a variety of large dungeons and realistic dungeons. * Open world environment allows the player to freely travel and discover new places.
Create Your Own Character * In addition to a default character, the game allows the player to create a character based on their own tastes and play style. You can freely combine combat elements such as weapons, armor, and magic. * The game also allows for the creation of your own hero type. You can freely apply your own talents such as muscle growth or magic schools.
An Epic Mythic Drama * A multilayered story that spans the galaxy, told in fragments. * The viewer is constantly bombarded with new exciting events and interactions. * The overlapping or synchronization of the visual effects and music create an atmosphere where the player can freely enter the drama.
An Online Element that Loosely Connects You to Others * An asynchronous online element that allows the player to feel the presence of others even when connected to the multiplayer.
