FIFA is the world's leading videogame franchise, and EA SPORTS FIFA 22 continues to provide the definitive football experience on home and mobile. Top ranked by Sports Interactive

and SEGA - The Official Home of FIFA is the PlayStation®4 with the FIFA Ultimate Team Edition (also available for Xbox One, PC, and iOS), home to the most immersive career mode ever in a videogame. The official videogame of the UEFA Champions League and UEFA Europa League and dedicated Pro Clubs, FIFA is the only game you need to compete against the very best players from around the world. Whether you're a fan or a Pro, this is the place to be if you want to be the best. FIFA is the home of football - and with FIFA Ultimate Team, you can own your own team. Play the Free-to-Play Season Pass and get rewarded with a Fantasy Premium Season, level up your Ultimate Team Squad and experience the all-new Ultimate Team Rewards System. As one of the largest sports

communities in the world, support the many game modes and functions of FIFA, from Match Day to Leagues, making it the perfect fit for any football fan. Whatever your needs, FIFA is the One Stop Shop for all your football needs. In FIFA, you are The Captain. Go with your team to the tournament. Win tournaments. Go to game highlights. Watch your team in action. "How to play" videos are available for all modes, making it even easier to pick up the game and play right away: Features - New AI Controlled Players - The new AI-controlled 'player 2' feature allows you to control a full team of up to 11 players in a single game mode. This feature is available in FIFA Ultimate Team, FIFA 18, and FIFA 19 in-game. Each AI-controlled team member is controlled independently, which

allows a much more refined and robust player movement system in FIFA. Each AI-controlled player has a detailed algorithm to control their animations and movement. This is much more realistic and allows for more variety in controlling the movements of a player. Each player has their own 'on-board' coaching for their teammate. This helps to improve their team play by allowing them to assist their teammates and gives the player an idea of where to
