No more fixed classes and spells, now every class can be mixed and matched to the player's. Dr. Gregory Brasfield is a volunteer in the Mobile County Public School System. When people find out what I'm working on, they often ask if I have any policies in

---

place to keep parents from abusing children. The truth is that I don't have any policies or laws in place. I work very hard to protect children and when it feels that I've done everything I can do, I do not think it's my role to shame or punish families. It is my belief that helping families through issues that are as a result of societal abuse is what gives me the most satisfaction in life. I am motivated by a
