And it is equally significant to remember that we must all work to pay our debts. These are axiomatic truths. Upon which all truths must be based. Important to remember, especially if you have experienced a loss in your life which you have not been able to deal with successfully. And in that case, your survival patterns and desires will be very different to those of a person who is working with the Principle of Life. In the first part of the book, we learn about the Principle of Life. How this principle can form a template for living your life. And discover how this principle is woven into the fabric of the world. And when all our thoughts, actions and plans are based on this principle.
