Elden Ring

A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. Create your own character. In addition to customizing the appearance of your character, you can

freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. An epic drama that is told in fragments. A multilayered story. An epic drama in which the various thoughts of the characters intersect in the Lands Between. Online play. In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. Fantasy action RPG started the worldwide tournament system in 2007. In the FINAL FANTASY series, the action RPG genre has established so far as having filled the gap to make us FEEL the world. Through the recent tactical RPG series, it became possible to fill the gap between the world

of the characters and the player. However, it's not that you have a goal to go through it. The game is a quest to receive information. The impossible has no meaning. All that is real is the story we tell ourselves. The world that has been maintained through the FINAL FANTASY series becomes a world within a world in this game. There is a story of an Elden Lord among the Lands Between, of a man who gets so far as the Duke of Gloam and gets reborn as a Knight. In this world, where the Action RPG genre and the Fantasy genre have coexisted, the world is where the actions of the player become the main character of the story. You create the character. You construct the world. How to fill them, is your choice! That's the tip of the iceberg. Please enjoy the events unfolding on the Lands Between. The future of the action RPG genre is still now! I wanted to create

an action RPG that is more than simply "being fun". I wanted to implement a new style in the Action RPG genre. I want to see what you will think once you actually play the game. It's impossible to make the game into something good if the development work is

What's new in Elden Ring:

With server and proxy supported, in addition to smartphone and tablet platforms

1. An Arena of Destruction and Adventure for Everyone It is featured with a battle system true to its mercenary theme. Whether you want to stay for a long duration or focus on one-shot combat, you can play online in this fantasy action RPG.

2. Create a Free-Form Structure Full of Adventure In the world, the Land Between, the sky, and the sea are all used as the stage. There are more than 140 pieces of information that you can investigate, including a simple "6x6" board, the cosmic space sphere, and a "ground map." Take a piece of this map as your base and move on to explore more.

3. Unique Characters from the Cast, Vehicle-Less Battles A challenge to the wit and reflexes of adventurers, the battle system is vehicle-less and boasts an action packed and frantic experience. There's room for those fighters who live by eye and hand, as well as those who enjoy being on the back row.

4. Tactical Battles in Boss Raids Each time you enter a raid, defeat bosses, and exit, a mount temporarily appears in the sky. Some raids will even cost your life. But mount battling lets you catch the optimal moment for each fight, so even when the odds go against you, you can always try your luck.

5. A Rich Item System which Brings New Possibilities Certain quest items and monsters drop legendary items that can be invested in exchange for rare weapons and armor, which can be used and upgraded. As a result, you can now enjoy the convenience of a satisfying upgrade system.

6. A Debating System that Promotes Epic Dramas The hero who thinks, talks, and attacks, and the mage with the power to cast spells are doubly burdened as they debate. Agree with him or pity him, but remember that his proposals and opinions are not a fantasy, but fact, and you can

appreciate and witness his thoughts. Also, with the wealth of information displayed on the Land Between at your fingertips, will you protect it, or let it be destroyed?
