A fantasy action RPG created by Kabatetodo / Somos-Mojoe. In a world where a great war broke out, a war occurred between two nations, the kingdoms of Fairies and Dragons, and the land was taken by darkness. The player has taken an apprentice name "Tarnished" and leads his party to this world to dispel the darkness. In your journey, you encounter a variety of monsters, and they are the ones who can show you the way, or attack you with murder. ■Characteristics of Elden Ring Crack Keygen Game □NOTE□ Access to the beta test version will be decided by your regions. We have limited accesses, and the balance of the game is still being revised.
