A World Full of Action An action RPG with an intense battle system where the fight continues forever. A world where you can play the game anytime, anywhere by switching between the Online and Offline mode. A Quest that never stops A story which is not as simple as it seems. A living, never-ending quest to create a peaceful world where life is free of hunger, and where you can feel satisfied at its end. A World where you can freely change the course of events One hundred years ago, long before the world was in a state of chaos, there was war between the civilizations of the lower and upper worlds. However, one day, during the conflict, the three goddesses - Magius, Frelia, and Alisha - created the Elden Ring, the only thing that can unify the entire world. The Elden Ring was created with the purpose of eliminating the evils
