An action role-playing game where you wield the power of the Elden Ring and return to a world where you were taken away from as a child. To do this, you must survive through fierce battles, and overpower your opponents in order to go on to the next chapter. In this world, the mysterious story of a red haired girl was born, but in the end the girl disappears. As a result, a world where the girl's story was born has been empty. In the emptiness, two opposing forces, the world of the living and the world of the dead, have become entangled. You may be in the world of the living, but you may be living a life of isolation. Fight and overcome your enemies in order to show that this world is no longer empty. Shoot, strike, dodge and cast spells with the power of the Elden Ring, return to the Lands Between. You are Tarnished, prepared to return to the Lands Between. The first chapter of a much larger world-spanning epic, in which you will traverse vast battlefields and encounter numerous opponents. As the plot unfolds, a young girl appears before you. Tell her about your greatest wish, and the story of the world begins. Follow the trails set by the storyline to your freedom. The Land of the Living is vast and yet it is completely uncharted. The paths leading to your freedom are hidden from you. Move forward without fear, trust the Elden Ring. The Elden Ring is a fantasy action role-playing game where you wield the power of the Elden Ring to conquer the Lands Between. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. ■ Explore a Lush World A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. ■ Fight with Various Characters The game features a large number of characters that you can equip. Interact with characters that may be a friend or enemy, and become a protagonist that cannot be forgotten. ■ Make Your Own Style of Play In addition to customizing the appearance of your character, you can freely combine the

Features Key:

- A large world in which to set off into a hero's journey.
- Creature battles come to life thanks to comprehensive arrangements of commands.
- Complex wars between the enemies of the Elden who are locked on the brink of war, and alliances forged across frontlines in times of great duress.
- The option to develop a mighty warrior who excels in combat or magic.
- A story featuring well known characters from history.

Subsystem Key feature:

- Asynchronous element - Disconnected Online Play.
- Cross-platform play - your party members can be in Black Toren or Dark Toren at the same time while you continue to play in White Toren.
- Synchronized multiplayer - Your battles with other players will smoothly take place in the background so you can continue to enjoy the game in real time while waiting for your turn.

Introducing a battle style unique to the fantasy of Tekuto

The elves of the Elden Ring are guardians of happiness and beauty, but the elves of the Dark Toren are forced to work for their masters as slave laborers and betray their friends, family, and the Elves of the Elden Ring. They are the cruel masters who oppress the weak, and call all beings who struggle against their oppression, "human trash."

On the other hand, the Dwarves of the Black Dwarves, and the Undead called the Unborn, all love to challenge their own strength and enjoy great battles. "Battle" is a term that a human could not understand.

However, the current situation is changing.

In a completely new style of fantasy game, battle is not a series of meaningless machine-gun shots but rather "controlled chaos," which is defined as a profound battle by human philosophy.

It is a battle where the outcome will be decided by the guests' fighting style. At this point, fighting style is not just a set of skills. It is a way of thinking. It is a way of understanding the battle, and of becoming stronger than the character in front of you.

KOTOWERY (NexusShark) It's been a while since I've reviewed a Nexus Game, but I really wanted to take the time to share my impressions with this one. I've been playing it since the first release, and I did get so caught up with the game that I didn't finish my review. Story: Lilith is a holy goddess of a realm between the heavens and the underworld. She fought valiantly against Lucifer and won. Despite her victory, the heavens have chosen her and her victory has left her weary. She was caught in a battle with their sisters, the Valkyries, while searching for wisdom to help her rule her kingdom. The battle turned violent and war broke out on earth. During the battle, she made a pact with a dragons, which led her to a sunken kingdom and made her feel young again. Her father, Zeus, came to the kingdom and saved her from her loneliness. Lilith and her father were reunited and she realized that her duty is to protect her kingdom and continue to fight the evils of the Old Gods. Having been born from such a noble decision, there's a genuine feeling of honor in Lilith's character. She believes that she was born to protect and that no one is above her. Despite her nobility, she has a great deal of naivety that makes her act impulsively. It's understandable, but you will quickly grow tired of the crying, guilty attitudes, and blaming others. However, these flaws are what makes her so interesting. The mature, calm and strong Athena don't have many flaws, but can be a bit short tempered when it comes to topics that she feels strongly about. As for the characters, I think this is the best Nexus game I have seen. You'll be able to meet a wide variety of characters with a very diverse cast. Lilith is the God of Light and is completely opposite of the God of Darkness, Lucifer. Their conversations flow in such a way that when Lucifer is visiting, it feels as if his personality is being blocked in, but he never says what I think he's trying to say. Even though Lilith seems distant with the other gods, they still get along extremely well and Lilith is glad to have her friendship back. Lucifer gets along with other gods, but they are more like colleagues rather than friends. The other gods I've played with mostly like Lucifer, though he is a bit aggressive in his manner. Hero is a video game developed and published by Namco Bandai, which was released for the Sony PlayStation 4 and Microsoft Xbox One video game consoles in Japan and the PAL regions on August 25, 2015 and worldwide on August 28, 2015. It is based on the 2015 anime film, which was also released on DVD and Blu-ray on August 21, 2015.[3] A port for Nintendo Switch was released on December 13, 2016.[4][5] Gameplay The Hero is a 3D fighting game, though it draws influences from traditional JRPGs. The player assumes the role of a new named hero who must complete quests and defeat powerful villains. The gameplay will focus on two main features: the combat and the magic system. In order to defeat enemies, the player will have to accumulate strength in three main stats: Strength, Dexterity, and Vitality. The player can strengthen these stats by collecting various items and using them. After the player has increased the stats as much as possible, he will face enemy bosses. The combat is taken place in a grid-based environment. The player's main weapon is the sword, which has various techniques associated with it. In addition, the player will also be able to fight with a pistol or a bow. All weapons can be upgraded to increase their strength and other attributes. The magic system also works in a grid-based environment. The player can learn several spells, which can be combined in various ways for different effects. The player will also have the ability to equip a "soul" (depending on the character class) which will help him unleash a powerful magic attack. Souls are classified as either positive or negative. A positive soul will increase the power of the attack, while a negative soul will reduce it. The player will be able to use the soul every time he levels up. Plot The Hero, or "Hero", is a new young man from the modern-day Japan who is a very talented sword fighter. One day, he and his friends are rescued from a dragon by an old man called the Revolver. The Revolver tells the Hero that he is called Hero, and that he was found 500 years ago lying in a pile of sand on the Goto Peninsula (the geographical location of which is unknown). The old man then teaches the Hero how to use his sword and other weapons to fight along with a mystical sword named "Urzu". The Hero then discovers that he has an ability to see the hearts of
