"We are ready to give you a journey full of exciting twists and turns. Fight as a Tarnished hero and choose your weapon. Get ready to slay monsters, collect loot, and achieve your dream of becoming the ultimate Elden lord. The world is waiting for you! You are Legend. You are" ----- Rise and come out. The Story of an Elden Ring Torrent Download Runner Ever since the fall of Falta Empire, monsters have begun to emerge from the lands of the endless east, and the world has fallen into chaos. Hundreds of kingdoms have been left in ruin. Rulers grow weak, while warriors gain strength. However, the largest threat looms over them, the enemy with a thousand eyes, the Elden Ring. -- Your Story: A tribute to ancient myths, you are a Tarnished Lord who longs for glory and power. After losing all of your memories, you arrive at a fortress, where a new hero will be born. And the journey begins... You have been awoken from your long slumber in a fortress along the eastern frontier of Rune Midgard. In the next few days, you will be guided by grace to defend a castle, a magic city, and a mountain in the eastern borderlands. If you pass the challenge, you will receive a new title and an invitation for a journey into an enormous world filled with unknown dangers. Can you become a legendary hero by slaying monsters and collecting loot? Let's play... IMPORTANT INFORMATION "Wake up a hero." ## **Elden Ring Features Key:**

A Large World with An Open Field and a Variety of Dungeons A vast world of open fields, life, and plague-infested areas. With 64 different dungeons, you will be able to enjoy a high degree of content even if you only play for a short period of time.

A Classical Action RPG Behind Its Myth Easily absorb myths through the narrative methods of traditional role-playing games. Live in an open world where you can freely mix the convenient and fruitful "fast travel" system and explore the vast world surrounded by the story that has yet to be resolved.

Make your Choice Obliquely According to Your Will No one will determine your preferred course of action; whether or not you use your strength in battle, enjoy battle chatter with your allies, or wear your armor to your heart's content, and it will be your choice alone. You will make your own choice in gameplay through a pliable decision tree while enjoying the rewards of strenuous and exciting battles.

A Classless System-like Character Progression It is not easy for players to obtain the weapons and armor that they want, but they will only discover the ones that are most useful while traveling along their chosen paths. By actively using your character's class, and by completing quests, you can obtain equipment that will always be useful and at the disposal of your character.

An Evolving and Expanding Network World With time, monsters and NPCs in the world will appear that can only be found in that region and will belong to a certain class. Through cooperative play, the NPC contents in the world will grow at all times, and even if you just happen to interact with the monsters in the field, you will encounter class-exclusive systems.
