Through the ruins of a post-apocalyptic world where people are still awakening from their slumber, a new fantasy action RPG emerges, where you select a character and engage in combat together with other players via the Internet. In the game, you create your own character and complete in-game quests together with other players via the Internet. You can enjoy with others in an environment that is rich in diversity.

\* Features.

- An epic drama with a cast of characters.
- Through the ruins of a post-apocalyptic world where people are still awakening from their slumber, a new fantasy action RPG emerges, where you select a character and engage in combat together with other players via the Internet.
- An intricate quest structure. The story of the Lands Between will unfold in countless ways as you freely conduct your in-game quests.
- A unique online play element. You interact with other players through the Internet. When you encounter another player, you can cooperate with other players, complete quests together, send gifts to one another, and even enter into a chat conversation.

① Features

- The Combination of A Warm Fantasy Setting and Action RPG
- A Fantasy That Has Your Back
- The fantasy world that you live in has been placed in a world where people have not awoken from a post-apocalyptic world. By changing the time period of the world, you can play through an action RPG where you can adventure through a fantasy setting.
- Make a Choice
- You have been reincarnated as a hero who shares the same names as the people of the fantasy world. For this reason, you have the heart and attitude of a hero. The game lets you make your own choice while continuously delving into the fantasy world.
- More Than the Sum of Its Parts
- Not only are the game play elements entirely new, there are also many other elements that have never been seen in any other RPG that have been put together. In addition to a fantasy setting, there are elements such as daily life, a communication game, missions, and quest information.

② Details

- Character Growth
- You will be able to switch each of your class skills while you level up. Make a new character with various appearances.
- New Combat System
- In the game, you will have a character that is equipped with weapons, armor, and magic. You can freely combine weapons with other weapons, just like accessories.
- The Magic of the Lands

## **What's new in Elden Ring:**

**Purchase and download the Cerberus Theatre App on the App Store, Google Play Store, and Steam for free at with the account that was used to register your Cerberus Theatre website. Cerberus Theatre cannot be played on Google Play and Steam while using an overseas account. An error message will appear during installation if your email is not set to Japan, Korea, the US, or Canada.**

**When you connect to Cerberus Theatre, you will be able to access the 'Character Creation,' 'Auction House,' 'Conversation' and 'Farming' areas.**

**Character Creation** You'll know once you are in Character Creation mode that you have no items equipped. In the right upper corner, there will be a bar that moves up and down when you raise or lower the camera as well as a button at the bottom left. Raising the camera increases the view range, lowering it decreases it. When raising the camera, you'll see the self-character images in the center of the screen and, if the camera goes up, the foreground will also go up. When using the menu button, you can change your name and sex. You can also see up to the 20 slot buttons for equipping items on the right side of the screen. The 'Copyright' button which is on the bottom right will take you back to the chat menu. For communication, the following characters can be selected as members of your team.

- **Cerberus Theatre App**
- **Cluster**
- **TheVoid (Job)**
- **Dukus (Job)**

**You can search for characters on your own team or in your friends' lists. Chat will not be sent to players who are offline. If you switch your phone to airplane mode, you won't be able to chat normally even if you've logged in. Conversation In Conversation, you can raise the cameras of other members of your team.
