This article covers the major grand challenges in medical research. The first grand challenge is to understand the structure, function, regulation, and role of the immune system. The challenge continues to be to understand the role of immunity in human diseases. The second grand challenge is to understand how bacteria, fungi, and viruses survive in the body for prolonged periods of time. The third grand challenge is to identify new genes, how they work, and how to target them for treatment. The fourth grand challenge is to understand the genetic basis of human disease. The fifth grand challenge is to develop gene therapies to cure disease. The sixth grand challenge is to understand the effects of aging in the human body. The seventh grand challenge is to understand how the immune system adapts and changes to the external environment so as to maintain a balance between immunity and tolerance. The eighth grand challenge is to understand the basic mechanisms of immune system regulation in health and disease. The ninth grand challenge is to understand the role of the immune system in neuropathies. The last grand challenge is to understand the mechanisms of stem cell differentiation.Q: How to calculate and report security event Logical Read I am trying to write a script that will report the PhysicalRead and LogicalRead event Logical Read Operations. In order to get a basic understanding of how the event Logical Read is calculated. I have used a simple test, listed below which will give me the total read events of 4.000.000 blocks. I have the assumption that if I put the blocks of 4.000.000 into the appended To List, that an event is present for each block. If this is correct, then the

Ask HN: What's your favorite theme on HN? - pps My current favorites are PG, sri, and travel. What are yours? ===== nickswan I like the new custom CSS capability within HN. It makes it really easy to design my own. ----- thisisit Lux theme. I prefer the light gray border than the greyer one. ~~~ pshyco Lux is a classic; I use it to this day. ----vishantgupta I've been using the "Mind Your Profile" theme recently. Its a nice, sleek enough, and dark theme for HN. ----- kingsidharth This one: ----- spicyj Dang, I like my theme, which lets me easily change the comments order to be in the order I find most interesting. ----- jdechy This one: ----- raju ----rohitarondekar ~~~ robocat I use 'Classic' like PG which really benefits from the changeable styles. ----- zalzane HN Classic. It was my first theme I set up, and I still use it every day. ----- tokenadult 6d1f23a050
