Hello all & welcome to this money pot! With just one click, you can help someone in need cover medical expenses and get back on their feet. Although I don't have health insurance, I have many benefactors helping me. I won't divulge their names, but I can point out that some of them don't even live on this planet. In addition, I am an active member of a charitable movement called Gifts of Life. On our website you can get any information concerning the treatment of various diseases, including cancer.
