We support your efforts to highlight the differential treatment of Pakistan and India by the EU, which are analogous to the growing discriminatory treatment which is being experienced by the Rohingya people. "We urge the EU to respond now to the humanitarian crisis in Myanmar, in line with the clear legal principles set out in the Genocide Convention and, without further delay, recognise the Muslim Rohingya minority as being persecuted on the grounds of their ethnicity." The statement also backed calls for a Commission investigation into the situation in Myanmar. A spokesperson for the Commission told c6a93da74d
