Emx Metal Guitar Gods 3 Toontrack Ezmix Expansion !!BETTER!!

When selecting the amp presets for EZmix 2, youll notice that theyre all sorted by category, so you wont have to do any guesswork about which guitar or amp-type to use. This is quite handy as you have the choice between; Rock, Metal, Modern Metal, Punk, Thrash, Noise and others. If you want an easy way to craft a great mix quickly, look to EZmix 2. Simply insert the EZmix 2 plug-in on any channel in your DAW and tell it what kind of signal it's working on. EZmix 2 will pull up a custom processing chain that's optimized for drums, vocals, guitar, or whatever you tell it to process. For example, when you add EZmix 2 to an

ambient vocal track, it will pull up a compressor, parametric EQ, tape delay with mix control, reverb with mix control, and finally, a limiter. You can tweak each processor until your ears are happy, and you'll love how quickly you'll achieve your results. At Sweetwater, we frequently recommend EZmix 2 to our customers its a great way to achieve a fast, easy mix. If your guitar tracks demand pummeling rhythms, searing leads, and effect-laden cleans, Toontrack Metal Guitar Gods 4 will be happy to accommodate you. Modeled and EQ matched from top artists Gus G, Jake Pitts, Wes Hauch, and Michael Keene, to name a few this

EZmix expansion pack supplies you with 50 unique amp and cab settings that are tailor-made for metal. For producers working in the metal genre and its endless subgenres Toontrack Metal Guitar Gods 4 delivers the bone-crushing tones you need. If you already own EZmix 2, then the $49cost of the Classic Amps EZmixPack is a bargain, and gives you a lot of authentic amp-and-effects sounds that you can instantly insert into your DI guitar tracks, either during tracking or after the fact. If you have to buy EZmix 2and the Classic Amps Pack, then you might prefer to use the money for a dedicated modeling plug-in instead, especially if you like to

be able to customize your settings.
