What will you do, what will you say, what will you achieve if you cannot pray? Prayer is something we normally take for granted, but for many of us with a Christian heritage, we don't realise how much prayer we take for granted. Prayer is something that most of us think we know, but actually many people don't know how to pray. How do you pray? Do you pray well? Do you consider how you pray, is your prayer truthful? Or just basic things like, 'help me lord'? How can we pray if God has forsaken us? How can we go to a God whom we have forsaken? If we are not committed to prayer, prayer becomes something that we are on the fence about. If you don't pray at all, how can you pray? Are you perhaps afraid to pray? This morning I want you to allow me to challenge you. I want you to notice how your response to prayer is. How could you be more God focused? How can you be more connected to God's presence? In how can you pray more effectively, and see God more clearly
