After years of living out his secret dream of being a movie star, actor Sterling Vail's fame turns to infamy when he's lured into a life of crime, drugs and the Los Angeles underworld. Frank (Crispin Glover), his mentor in the criminal world, takes Sterling on as a protégé; his lawyer brother Brian (John Lone) defends him in court; and his actress mother, who was a drug addict with a stutter, is now in rehab. As an undercover cop, his ex-girlfriend Alice (Janeane Garofalo) and his friends, the 'Peekas' - a trio of high school boys - are gathered to find out Sterling's fate. Shot on location in Los Angeles, "The Standoff" is a portrait of the '70s as seen through the eyes of a young, blonde, white kid. Check out Bannister's "The Standoff" music video below. Watch Bannister released a self-titled album. The singer-songwriter's "Sleep Tight" was the summer's most popular song on the radio. One of his fans, Danielle Bannister, is the lead singer of the pop-rock band Rookie of the Year. She's 23 years old and has more than 20 million followers on Instagram. In 2012, Bannister released his debut album, "Empty World." A decade ago, he was a homeless kid playing guitar in a skate park in West Hollywood.Q: addEventListener not responding I'm trying to write a simple function to load two div elements one after the other, but it doesn't seem to be working?
